I am the Relationship Banker for Bank One – College Station. We are the first of many interests that Bank One will have in College Station. I have an undergraduate degree in Political Science and possibly will be working on an MBA next Spring. I have run one Brazos County campaign and advised in another. I am currently serving in the 420th Engineer Brigade in Bryan and recently spent 4 months on active duty for Operation Iraqi Freedom. I am a licensed broker with banking experience, an understanding of local politics, and truly know what it means to serve.
